

Viennese Seminars in Hydrology

WS 2019/20

A joint Hydrology-Seminar-Series is being organized by the Institute of Hydraulic Engineering, at the TU Vienna (Univ.Prof. Dr. G. Blöschl), and the Institute for Hydrology and Water Management (HyWa) at the BOKU Vienna (Univ.Prof. Dr. K. Schulz). Students, scientists as well as other interested persons are welcome to attend.

Date & Time: Tuesdays, 4:30 – 5:45 pm

Date	Speaker	Location	Titel
08.10.2019	Prof. Dr. Keith Beven Lancaster University, Lancaster Environment Center, UK	TU Wien, HS 6, Karlsplatz 13	Hypothesis testing and model invalidation in hydrology
19.11.2019	Dr. Markus Hrachowitz Civil Engineering and Geosciences (CiTG), TU Delft, Netherlands	BOKU Wien, Muthgasse 11, (SR:12)	Nature's water manager: vegetation as active and adaptive agent in the water cycle
21.01.2020	Prof. Dr. Christophe Cudennec INRA, Agrohydrology, Rennes Cedex, France	TU Wien, HS 13, Karlsplatz 13	Flexible geomorphology- based hydrological modelling
